See Above	See above	CPD developing across school. Twilight session for whole staff completed and expectations. Class teachers working alongside	Staff confidence in the planning and delivery of PE is improving. Pupils are benefitting from more secure knowledge of staff in sessions that they are planning and delivering themselves.	We are going to use this CPD to consolidate with teaching staff and also provide CPD for Teaching assistants who deliver and support in PE sessions on a regular basis. Our plan is that this will be the final year with CITC as the CPD will be complete (upon review at the end of the year).
